

PUBLIC NOTICE

PERMIT APPLICATION NUMBER: NRS 08.153

APPLICANT: Gary Vaden
City of Memphis
125 North Main Street
Memphis, TN 38103
901-576-6700

LOCATION: Rocky Woods Cove
Shelby County (lat35.141144/long89.746851)

WATERSHED DESCRIPTION: The proposed impacts would temporarily affect 0.59 acre of wetlands. The land use in the area is rural residential. The wetlands are located within a previously cleared field with recent succession of wetland plants.

PROJECT DESCRIPTION: The project would involve the construction of 3,090 feet of sewer line extension at Rocky Woods Cove. The work area requires the temporary disturbance of 0.59 acre of wetlands. The impacted areas would be returned to original grade and seeded upon completion of the project.

More details on the proposal can be viewed on the Internet at
<http://www.state.tn.us/environment/wpc/ppo/arap>.

PERMIT COORDINATOR: [Brian Canada](#)

USGS TOPOGRAPHIC QUADRANGLE: Ellendale, TN and Eads, TN

No decision has been made whether to issue or deny this permit. The purpose of this notice is to inform interested parties of this permit application and to ask for comments and information necessary to determine possible impacts to water quality. Persons wishing to comment on the proposal are invited to submit written comments to the department. Written comments must be received within **thirty days of the date that this notice is posted**. Comments will become part of the record and will be considered in the final decision. The applicant's name and permit number should be referenced.

The permit application, supporting documentation including detailed plans and maps, and related comments are available for review and/or copying at the department's natural resources section.

Interested persons may also request in writing that the department hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reasons that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the department will hold a public hearing.

The permit application, supporting documentation including detailed plans and maps, and related comments are available at the department's address for review and/or copying. The department's address is:

TENNESSEE DEPARTMENT OF ENVIRONMENT AND CONSERVATION
Division of Water Pollution Control
7th Floor, L&C Annex
401 Church Street
Nashville, Tennessee 37243

In deciding whether to issue or deny a permit, the department will consider all comments on record and the requirements of applicable federal and state laws.
